Hello Textron Union Family,

**SECRETARY TREASURER
SUSAN THOMPSON**

I wanted to update everyone on the status of the Union's ongoing mission to clear up the details around the payroll issues and our working toward a resolve on making everyone affected whole. The IAM will not be distracted from providing representation and protection to our Union family.

**A.D.B.R.
GERALD HILL**

Today, the District 70 leadership, along with your IAM Plant Chair representatives met again with the company. After the meeting failed to provide substantive answers we filed a Union vs. Company grievance regarding this issue. As well, an IAM Strategic Economist is working with us to crunch the numbers. A DOL information request letter was also given to the Company seeking answers to how bonus infused paychecks have been taxed over the last three years.

The IAM will get to the bottom of this and we are continuing to work on your behalf.
