Negotiating Committee Seniority Report Update

As a result of the Seniority Discussion membership vote on *August 18, 2018*. Your Negotiating Team and Textron Aviation **have come to a *tentative agreement with new and amended language***.

Your Local Lodge negotiating committee members and District Business Representatives are working together to provide the details of the tentative agreement for your review. Additionally, your team will be discussing what it would mean for the membership to vote ***for or against*** the tentative agreement. Our Local Lodge negotiators and assigned Business Representatives will meet with your Shop Stewards on Thursday, October 4, 2018 to discuss the tentative agreement language and the seniority language vote, which is scheduled for October 20, 2018.

Your leadership team is sending out a mass membership mailer via U.S.P.S. mail. This “Member Notice” from Local Lodge 774 will have the “tentative agreement” for your review, before you vote October 20, 2018.

- Should the proposed language change be voted to “***accept***”, the new language will be incorporated.
- Should the proposed language change be voted to “***reject***”, there will be no change to our current collective bargaining agreement language.

“Seniority Language Vote” will be held on

October 20, 2018 - 6:00 AM - 8:00 PM

Machinists Hall, 3830 S. Meridian,

Wichita KS., 67217

The Negotiating Committee appreciates your patience.
