Local Lodge 774 Members

Dear Brothers & Sisters,

I am sure by now everyone is aware of the COVID-19 vaccine mandate being stopped with a temporary court injunction. The membership and this union leadership have worked very hard to ensure our constitutional rights were not violated.

We greatly appreciate the State of Kansas representatives for coming together for the greater good. We will keep all of you posted on any new developments. Thank you all.

In Solidarity,

Cornell Beard
President/DBR
IAMAW, District 70
