Dear Brother's & Sister's,

The United Way has always been a key national partner of labor. This year we celebrate 80 years of commitment to helping our siblings in need. Working people have faced unprecedented challenges as a result of COVID-19 pandemic. Millions have lost jobs, fallen sick and working people who we thought were economically secure, have suddenly feared we could not feed our families. Yet, in this time of profound challenges I want you to know we are not alone. We stand by each other and the communities we live in came together to stand with us.

Now it is time for those of us who are fortunate enough to be working to give back to our communities and to the working people who are in need today. That is why I am asking you to please consider supporting the 2022 Textron Employee's UpLift Fund Campaign. By making that personal investment into our community you also strengthen our AFL-CIO partnership with United Way.

Through the network of Labor Liaisons, the AFL-CIO and United Way have worked for decades to meet our community's needs. This network continues to give life to our shared vision of a prosperous, inclusive and diverse communities, where every member has access to good jobs and affordable and quality healthcare.

It's with these thoughts all in mind that I encourage you to consider that UpLift Pledge today!

I thank you for your past support for our community and It's with honor that I represent the AFL-CIO in our community

In Solidarity,

Mario Cervantes
