Local Lodge 774 Members

Dear Sisters and Brothers,

In the late hours of last night, District Lodge 70 and Local Lodge 839 achieved a significant victory for 2023. District 70 Organizer, Jimmy Yeager, alongside the District Staff, successfully secured a re-run election with Schenker, Inc! This hard-fought battle for the 164-unit victory saw the company employing Union Busters and intimidating their employees, but the resilience of the workers prevailed, resulting in a vote in favor of the IAM.

Help us acknowledge their achievement. Despite facing considerable pressure and intimidation, this group stood steadfast and made a courageous decision. It is important that we show our support by standing with them, offering any necessary advice, as they are now an integral part of our union family.

Let's warmly welcome them and treat them as kin, standing united with this group that has demonstrated strength in the face of adversity. Congratulations to all involved in this significant win.

In Solidarity,

Cornell Beard
President/DBR
IAMAW, District 70
