RE: Automatic Dues - Payroll Drafts - Textron Aviation Inc.

Dear Brothers and Sisters of Local Lodge 774,

We have received reports from several members regarding an error in the company's auto-withdraw of membership dues. It has come to our attention that the company failed to update the auto-withdrawal amount from \$18.75 to \$19.35 per week, beginning with the first paycheck in January 2024.

We reached out to company representatives who assured us that the issue has been resolved. However, you may notice a makeup collection in the following weeks to cover the missed amount and bring the dues collections up to date.

We value your membership and appreciate your patience and understanding in this matter.

Thank you.

In solidarity,
Local Lodge 774 President
Brian Alexander
