## What is an Endorsement (Run-Off) Vote?

The District Lodge 70 Endorsement (Run-Off) Vote is a crucial step in determining the candidates that members of Local Lodge 774 will endorse for the positions of President/Directing Business Representative (one open seat) and four Business Representatives (4 open seats). Each local lodge in the district will conduct the endorsement (run-off) vote, and the results will determine which nominees will proceed to the final election ballot in April.

*\*Per IAM District Lodge 70 bylaws Article VII, Section 11, If more than one (1) candidate for each vacancy is nominated at the nomination meeting in February, a Local Lodge endorsement (run-off) vote will take place on the Local Lodge regular meeting day in March... The qualified candidate(s) who receives the highest number of votes (Plurality) in the endorsement vote election, shall be declared to be the Local Lodge nominee(s).*
