

IAM LOCAL 774 2029 STRIKE PREPARATIONS

SAVE – If you haven't started saving for our 2029 Contract Negotiations, now is the time to begin!

Setting aside as much as you can will help ease the burden on your household should a labor strike occur.

Our current Collective Bargaining Agreement with Textron Aviation Inc. expires on September 22, 2029.

Being financially prepared ensures you can weather any challenges
that might arise during the negotiation process.

September 22, 2029, is 185 weeks, 3 years and 6 months from now .

MARCH 2026

\$15 per week	185 weeks	= \$2,775
\$25 per week	185 weeks	= \$4,625
\$50 per week	185 weeks	= \$9,250
\$75 per week	185 weeks	= \$13,875
\$100 per week	185 weeks	= \$18,500

The more you save, the better! Our ability to leverage the company in the event of a labor strike will likely depend on how long members and supporters can sustain withholding their labor.

While we will always bargain in good faith, we encourage every bargaining unit member to start preparing for the possibility of a strike. Taking proactive steps now can help ensure financial stability and peace of mind, no matter what happens.
